The new English models will be much worn by the best  
dressers this fall. We have a fine lot of these here.  
The coat is made without any padding; it has the soft  
roll lapel, short and long styles; it's a very snappy  
model. You'll like the Shape-maker, too; a very stun-  
ning style, made exclusively by Hart Schaffner & Marx  
for young men; and the Varsity is continuously  
popular

We'll be glad to show you any style you want, and fit you out in good  
shape before you go away.

such.

"I admit that I am around the sal-  
oons a good deal," he said. "and  
nearly packed some of the time. But  
when I could get work I did it. I  
worked three and a half days last  
week, and three months and seven-  
teen days before I came to town."

In consideration of the fact that  
Hart has a job in sight, Justice Craig  
suspended his sentence during good  
behavior, "but remember," he said  
"as soon as we hear of your exec-  
tive prowling around saloons again,  
into the jug you go!"

"All right, your honor, I'll be mighty  
careful." And receiving a packet con-  
taining his tobacco, some loose change  
and a pocket knife that had been  
taken from him by the police last  
night, the painter stepped onto the  
street to breathe the air of freedom.
